To Emmenual Reddy; Bibhya Sharma

 You forwarded this message on 5/6/2018 2:41 PM.

Dear Emmenual Reddy and Bibhya Sharma:

Thank you for submitting your paper titled "Mobile Learning Perception and Attitude of Secondary School Students in the Pacific Islands" to **PACIS 2018**. We received over 740 submissions this year.

On behalf of the Program Committee, we are delighted to inform you that your submission has been ACCEPTED as a RESEARCH-IN-PROGRESS paper for poster presentation at the conference.

Next steps:

- 1) Submit your revised manuscript through the EasyChair system by 9th May 2018, 23:59 Japan Time. This deadline is firm. The comments of your review team are included at the bottom of this email. Please revise your manuscript accordingly and ensure that your revisions adequately address your review team's concerns.
- 2) Ensure that your "camera-ready" manuscript follows the Submission Guidelines as specified on the conference website (<http://pacis2018.org>). This version must contain all the identifying information, including author details and references that might have been removed for the double-blind review.
- 3) Check that your manuscript does not exceed the page limit. For research-in-progress, the page limit is 8 pages. This page limit includes everything – the cover page (which contains the title, abstract and keywords), all text, figures, tables, references, and appendices.
- 4) Submit the camera-ready manuscript using the SAME EasyChair account that was used to submit the original manuscript, at <https://easychair.org/cfp/PACIS2018>. Locate your original submission in the system, click on the details, click "Submit a New Version", and upload the revised camera-ready version.
- 5) We would also like to remind you that at least one author MUST register for the conference by 16th May 2018 and must present the paper at **PACIS**. The registration system will open from 23th Apr 2018. Details on registration, accommodation, visa, and travel requirements are available at <http://pacis2018.org>.
- 6) If you need a VISA to enter Japan, please complete conference registration by 30th Apr 2018 in order to get the VISA in time. You can submit a request for visa application letter at: <https://reg34.smp.ne.jp/regist/is?SMPFORM=lepfl-45b24e5619a73a65f817c7747edf334b>. Please note that VISA application assistance from the organizer is not available after 30th April 2018.
- 7) More information about the poster sessions will be provided on the conference's website soon.

Once again, thank you for participating in **PACIS 2018**. We look forward to receiving your camera-ready manuscript and welcoming you to Yokohama, Japan!

Regards,  
**PACIS 2018** program committee
