

## Project DIREKT Workshop

# RENEWABLE ENERGY – ECONOMICS, APPLICATION AND LEGISLATION

*Commemorating 2012 as the  
UN Year of Sustainable Energy for All*

### CALL FOR REGISTRATION

As part of its ongoing programme to promote and facilitate renewable energy use in the Pacific Island Countries, Project DIREKT will be organising two national and one regional public event this year

The one-day workshop on Renewable Energy – Economics, Application and Legislation will cover the economics and legislative requirements for the practical use of stand-alone and grid-connected PV systems in Fiji and the Pacific. It will be of interest to home owners, entrepreneurs, government departments, regional agencies and others interested in the development of the renewable energy industry in the region. The final programme and other details will be available soon.

**Date:** Friday 16 March 2012

**Time:** 9am to 4.30pm

**Venue:** The University of the South Pacific, Laucala Bay, Suva

**For registration and general enquiries** please contact  
Project Manager Ms Pritika Bijay at the Project DIREKT office,
