The Routledge Handbook of Global Development

Edited by **Kearnin Sims, Nicola Banks, Susan Engel, Paul Hodge, Jonathan Makuwira, Naohiro Nakamura, Jonathan Rigg, Albert Salamanca and Pichamon Yeophantong**

Series: Routledge International Handbooks

This Handbook provides a comprehensive analysis of some of the world's most pressing global development challenges – including how they may be better understood and addressed through innovative practices and approaches to learning and teaching. Featuring 60 contributions from leading academics and practitioners, the handbook demonstrates that global development challenges are to be found in the global 'North' as much as the 'South'. It will serve as a valuable resource for students and scholars across multiple disciplines including Development Studies, Anthropology, Geography, Global Studies, Indigenous and Postcolonial Studies, Political Science, and Urban Studies.
